KETAN SONAWANE

ENTRY-LEVEL DATA ANALYST | PYTHON | SQL | POWER BI | EXCEL

Contact: - +91 8329193289| ketansonawane2274@gmail.com |
Pune, Maharashtra, India.
Open to opportunities in **Pune | Mumbai | Bangalore | Hyderabad | Gurgaon**

PROFESSIONAL SUMMARY

Detail-oriented and motivated Data Analytics enthusiast with hands-on experience in Python, SQL, Power BI, and Excel. Skilled in data cleaning, analysis, and visualization to derive meaningful insights. Developed projects including expense tracking and interactive dashboards. Seeking an entry-level opportunity to apply analytical skills and support data-driven decision-making.

TECHNICAL SKILLS

Programming & Analytics: Python (Pandas, NumPy)
Data Visualization: Power BI, Matplotlib
Database Management: SQL, MongoDB
Tools & Technologies: MS Excel (Pivot Tables, VLOOKUP, Charts)
Soft Skills: Problem Solving, Communication, Teamwork, Leadership

---

PROJECTS

Expense Tracker Application | Python, Tkinter, MySQL

- Developed a GUI-based desktop application to track and manage daily expenses
- Integrated MySQL database for efficient data storage and retrieval
- Implemented CRUD operations to add, delete, and view expense records
- Added filtering functionality (date, category, amount) to analyze spending patterns
- Improved expense tracking efficiency by automating manual record-keeping

Student Performance Analysis Dashboard | Power BI

- Designed an interactive dashboard to analyze student performance across multiple parameters
- Created KPIs such as average scores, subject-wise performance, and overall trends
- Implemented filters for gender, ethnicity, and parental education to derive insights
- Enabled data-driven understanding of factors impacting student performance

Sales Data Analysis | MS Excel

- Analyzed sales dataset using Pivot Tables and charts
- Identified top-performing products and regions
- Created dashboards for revenue tracking and trend analysis

EDUCATION

- **Bachelor of Computer Applications (BCA)**
  B. D. Kale Mahavidyalaya, Ghodegaon
  2022 – 2025
- **Higher Secondary Certificate (HSC)**
  GRP Sabnis Jr. College, Narayangaon
  2020 – 2022
- **Certification: Data Analytics (DA)**
  Unique System Skills, Kothrud
  2025

ADDITIONAL INFORMATION

- Basic understanding of data cleaning and preprocessing techniques
- Ability to work with structured and semi-structured data
- Quick learner with strong analytical mindset
